PAJERO SPORT

» MODEL SHOWN PAJERO SPORT VRX BLACK EDITION in White Diamond.

» FOR FAMILY.

Step up your weekends with room for you, the kids and all the stuff that requires.

Pajero Sport offers a power tailgate, loads of boot space and 2 fold-away seats in the rear, making 7 seats in total. Then there's ISOFIX, dual-zone climate control and bottle holders in every door.

» FOR SAFETY.

Pajero Sport delivers premium levels of protection with wrap-around driver aids and safety features. 8 airbags, multi-around view monitor, Blind Spot Warning with Lane Change Assist, Forward Collision Mitigation and a host of other systems keep you safe.

» FOR ADVENTURE.

See more of New Zealand with **Pajero Sport**. Comfortable and quiet on the highway and extremely capable off the beaten track, thanks to its proven Super Select II 4WD system. When it comes to adventuring, **Pajero Sport** is built ready to go off-grid.

Sport by name, sport by nature.

Now the question of what to do on your day off comes with even more options. Thanks to **Pajero Sport's** 2.4L MIVEC diesel engine and its 8-speed automatic with Super Select II 4WD system, the world is, as they say, your oyster.

Tow rated to 3.1 tonnes (braked) and sporting driver aids like trailer stability assist and multi-around view monitor, it's a good sport at the launch ramp.

Inside you'll find an updated driver display and new 3-spoke steering wheel. In line with the sports theme there's also sports mode, activated via the central gear shift or paddle shift to allow complete control of the 8-speed transmission.

Both VRX and the new VRX Black Edition models sport 18-inch alloy wheels. Machine finished 2-tone on the VRX and silky black on the Black Edition.

A winner on the day.

RIGHT FROM THE KICK-OFF, PAJERO SPORT DELIVERS KIWI FAMILIES INTO THE WEEKEND WITH COMFORT AND STYLE.

» LEATHER-APPOINTED 2ND ROW (ABOVE) Your little champs' comfort and safety are locked in with 2 ISOFIX restraints and 3 tether points.

» LED DAYTIME RUNNING LIGHTS. (RIGHT) The new grille design looks sharp and purposeful.

» MODEL SHOWN PAJERO SPORT VRX BLACK EDITION in White Diamond.

Hit the button and the power tailgate opens to reveal a large rear load space, chuck in the gear and load up the team for Saturday morning sport.

Inside, you'll find a luxurious leather-appointed cabin with 3 rows of seats. The 3rd row folds away to provide a boot-load more space if needed. The driver and front passenger seats are heated and power operated for slide, recline and height adjustments. The 2nd row provides for safe and easy fitting of child car seats with 2 ISOFIX restraints and 3 tether anchor points.

Pajero Sport has the team covered with a full wrap-around 8-airbag system. Outside you'll notice the redesigned front with a new black honeycomb grille and new lower bumpers front and rear. And those sporty 18-inch alloy wheels complete the smart new look. All these features and more make **Pajero Sport** the winner on the day.

Select freedom.

WITH SUPER SELECT II 4WD, FREEDOM
IS JUST A FINGER MOVE AWAY.

Town and country.

CITY DRIVING OR OFF-ROAD ADVENTURES, IT'S THE PERFECT ADDITION TO YOUR FAMILY.

Now with the stylish VRX Black Edition on the team, you can choose to be a little more dressed up. A black-out package that includes a black grille, wing mirrors, door handles, roof rails and lower bumpers front and rear takes your arrival to the next level.

Under the rigid shell body lurks Mitsubishi's celebrated Super Select II 4WD system with a lockable centre diff. This system makes **Pajero Sport** extremely capable on the sealed highway or farm track. In dry conditions on sealed roads you're safe and economical in 2H. Rain or gravel road ahead, you can shift to 4H on the fly without having to stop.

The Super Select II system is operated from the drive mode selector on the centre console. Also on hand are 4HLC and 4LLC for climbing over rocks and more extreme terrain.

Command performance.

PAJERO SPORT IS THE CAPABLE MULTI-SURFACE FAMILY SUV.

Get comfortable in the driver's seat, because you're in charge of 135kw of power lurking under your right foot.

Up front, a 2.4L MIVEC intercooled turbo-diesel engine pushes out 437Nm of torque. Combine that with the Super Select II 4WD system and you've got a 3.1-tonne towing capacity.

First glance around the cabin and you'll notice you're surrounded by luxurious soft-touch materials.

» CUP HOLDERS
Two cup holders in the centre console and bottle holders in each door.

» MODEL SHOWN PAJERO SPORT VRX BLACK EDITION.

Leather-appointed, heated and power-operated seats up front hold you comfortably in place.

A new textured leather steering wheel designed with a 3-spoke layout puts many of the SUV's controls right at your fingertips. From here you can engage adaptive cruise control, adjustable speed

limiter, hands-free phone and audio, the multi-around view monitor, and alter the driver's dash display.

The driver's dash display has been updated too, creating a simpler layout that ensures a safer and less distracting drive.

When it comes to performance, **Pajero Sport** puts you in command.

Climb every mountain.

ESCAPE TO THE WILDERNESS IN THE
ADVENTURE-MAKING PAJERO SPORT.
